Frequently Asked Questions

1. *How many continuing education credits can I get?*

We expect to offer more than 30 hours of continuing education credits. Sessions will be approved for ARRT Category A credits through the MDCB, and Florida State. Credits are now electronically transferred to MDCB. You will also receive a certificate in the mail a few weeks after attending the meeting. Make sure to update your address if it changes after registration.

2. *I cannot attend this year's meeting. Will there be recorded talks or handouts after the meeting?*

The AAMD does not record the sessions at this time. Speaker handouts will be posted on the AAMD website following the meeting.

3. *When will the full program be available?*

We expect the full program to be on-line sometime in February. The preliminary agenda lists many of the confirmed speakers.

4. *Do I have to register on-line?*

There are three convenient ways to register. Using the on-line registration is certainly a simple process and allows you access to features and information you cannot get any other way. However, you may print out the forms and mail them with a check or with your credit card information. You may also fax the registration form with your credit card information included. Contact information can be found on the registration form.

5. *Must I use a credit card for registration? My hospital wants to send a check.*

You may enter information into the Registration website, select "check" as a form of payment, and mail a check for the fees. The check must arrive within 14 days following the website registration.

6. *I called the Fairmont Scottsdale to make a room reservation. Why didn't I get the rates that were promised?*

Hotel reservations must be made either through the link to the AAMD on-line Meeting and Hotel website (www.medicaldosimetry.org) or by calling the Fairmont Scottsdale reservations at 866-540-4495. Be sure to mention that you are with the AAMD group. Our **Promotional code is J5698**. Discounted rates are available for reservations June 15-29, 2009. After May 15, 2009, the discounted room rate may not be available so book early.

If you encounter any problems please contact Karen Bazemore, the Conference Planner for the AAMD 2009 Meeting @ 281-531-1775 (Houston) or toll free 888-531-1775 for more information. If you prefer, email aamd09meeting@sbcglobal.net.

7. *Which airport serves Scottsdale, Arizona? How do I get from the airport to the hotel?*

The Phoenix Sky Harbor International Airport. It is recommended that you travel to the hotel via the "Super Shuttle" as taxis are very expensive. Reservations may be made on-line at www.supershuttle.com. The AAMD discounted rate is \$22/person one-way for the shuttle. You must use the **Promotional code UU2UT**. Keep your confirmation number to get on the van at the airport. Taxis are >\$60 one-way. Otherwise, you may choose to rent a car to explore the area.

8. *I have already registered on-line, and received the email confirmation. How do I purchase guest tickets or tour packages?*

You will be able to add or change details of your registration. You will need to know the email address and password that you created with your registration.

- Click on the link that arrived in your email confirmation

- You will be directed to the RegOnline Site to review details of your current registration.
- Select "update my registration"

There are several pages that allow you to modify the details of your registration, including adding more tickets for Events. You will need to look at each page, and use the "continue" button at the bottom of each page. The final step will require you to confirm your changes. You will receive a new email confirmation.

9. *I finished entering my information and am looking at the Registration Record. When I click on 'Print a Complete Record of my Registration' 'Update my Registration' or 'View/Print Receipt', nothing happens.*

You can try holding down the `CTRL` key as you click on the selection box. That may override your browser setting and allow the pop-up to open without permanently changing your security settings. You may have an option at the top of your browser to click on "temporarily allow pop-ups from this site".
